MIDU CORPORATE PROFILE

Shaping the Future of Growth in Saudi Arabia

WHO WE ARE

Founded in 2023 under the umbrella of MSB Holding, MIDU was created to be a dynamic investment group driving Saudi Arabia's transformation.

With a strategic presence in sectors including:

Industrial Development

Contracting

Water Solutions

Real Estate Development

Mining

We combine local expertise with global partnerships to deliver projects of scale, impact, and sustainability.

MIDU is not just a business venture — it is a growth engine for the Kingdom's Vision 2030, designed to unlock opportunities and create enduring value.

OUR MISSION

To design and deliver transformative opportunities that fuel Saudi Arabia's growth.
We are committed to:

Bringing world-class
expertise and
technology.

Creating sustainable
opportunities that
empower communities.

Enhancing the quality
of life across the
Kingdom.

OUR VISION

To become one of the Kingdom's most trusted and forward-thinking investment groups; shaping the future of Saudi Arabia's economy through bold diversification, sustainable innovation, and groundbreaking partnerships.

OUR CORE VALUES

Innovation

We embrace creativity and bold thinking to shape the industries of tomorrow.

Excellence

We set uncompromising standards in quality, performance, and delivery

Sustainability

We commit to responsible growth that preserves resources for future generations

Collaboration

We build strong alliances with global and local partners to maximize shared success

COMMITMENT TO VISION 2030

Saudi Arabia's Vision 2030 is at the heart of our strategy, and MIDU is aligned with its goals through:

Economic Diversification

Expanding into high-potential non-oil sectors.

Giga Project Participation

Contributing to the Kingdom's most ambitious developments.

Talent Development

Creating opportunities for local talent across sectors.

Sustainability

Delivering solutions that meet today's needs without compromising tomorrow.

SHAREHOLDING STRUCTURE

Ownership

30%

Mr. Tareq Telmesani

MSB Holding
70%

Together, these shareholders bring unmatched leadership, technical expertise and capital strength to position MIDU for success.

ABOUT MSB HOLDING

MSB Holding, founded in 2017 is a strategic investment company based in Jeddah. It has rapidly become one of Saudi Arabia's most recognized names in infrastructure, construction, and contracting.

By actively participating in giga and mega projects, MSB has earned a reputation as a trusted partner in shaping the Kingdom's future.

MSB HOLDING

MSB DIVISIONS

MSB Holding is structured into three powerful divisions:

MBL Group

Market leader in contracting and support services

Specialized Contracting Group

Experts in IT, airport systems, and MEP solutions.

MIDU Group

The new growth driver, leading diversification into mining, industrial, water, and real estate sectors.

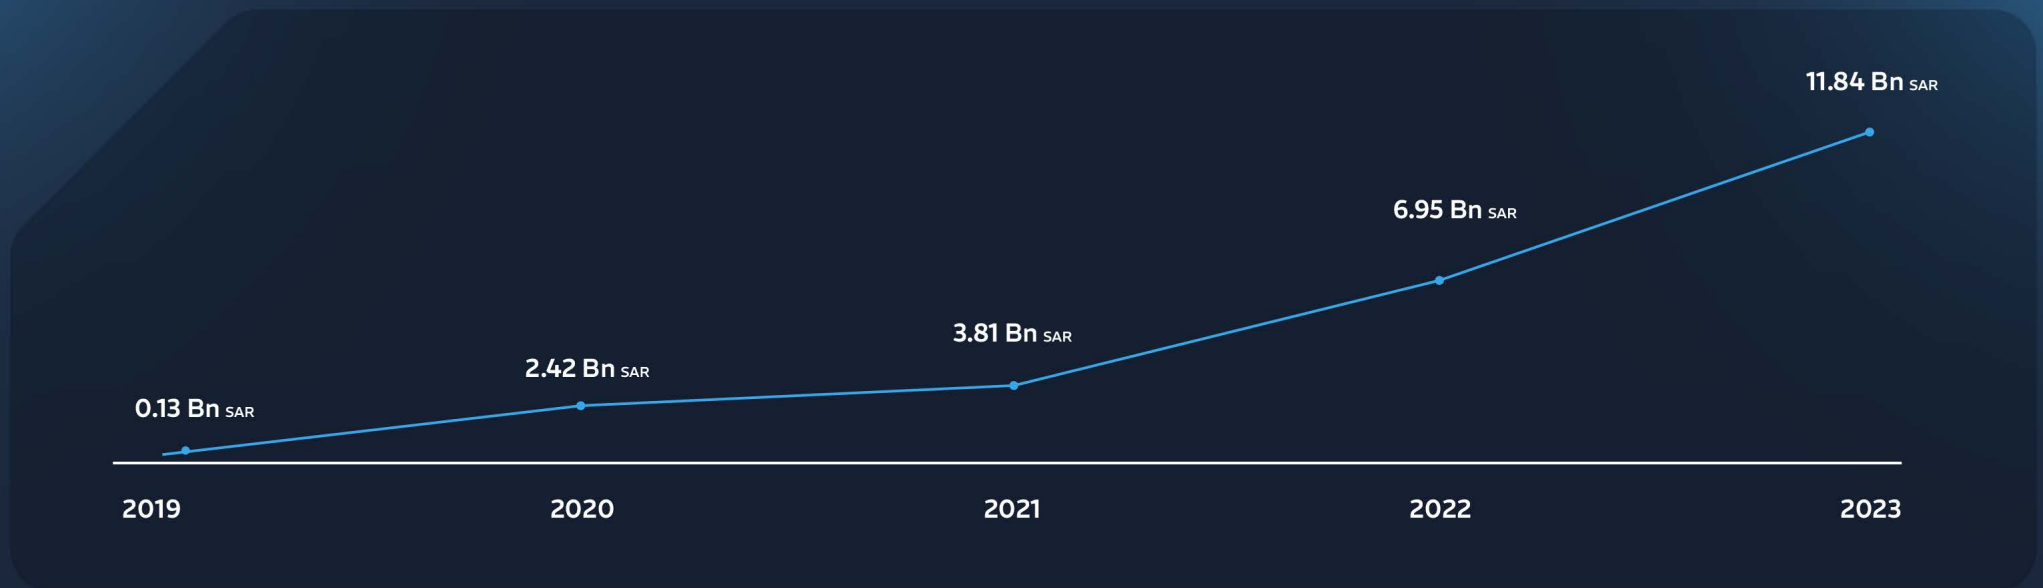

This integrated structure allows MSB to leverage synergies and deliver unmatched value across projects.

FINANCIAL SUCCESS STORY

MSB's rapid growth demonstrates the strength of its strategy:

- Revenues grew consistently between 2019–2023.
- In 2023, following the integration of MBL, MSB achieved record-breaking results with a net profit of SAR 1.43bn.
- Positioned to continue expanding aggressively in multiple sectors.

This success story provides the solid financial backbone for MIDU's ambitious journey.

Royal Road Arabia focuses on discovering and developing new copper and gold exploration opportunities in Saudi Arabia using advanced geological technologies. With a proven track record, the company is committed to nurturing national talent and maintaining the highest local and international environmental standards.

Through its joint venture with Royal Road Minerals, it leads Saudi Arabia's accelerated mining exploration efforts while expanding into Morocco's growing mining sector

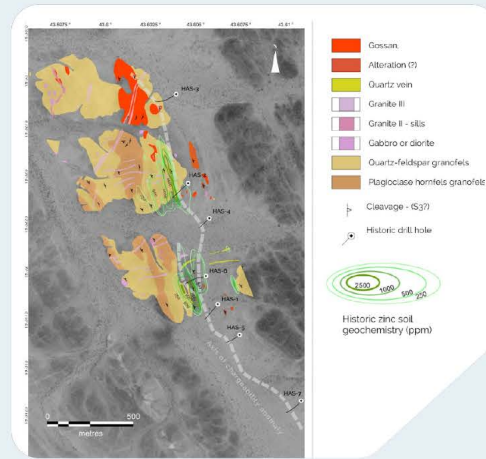

Jabal Sahabiyah Project

Awarded: June 2024

Value Proposition:

This project positions MIDU as a pioneer in developing one of Saudi Arabia's most promising mineral regions.

 Area:

284 km²

 Features:

The Jabal Al-Sahabiyah area consists of three adjacent exploration licenses granted to Royal Road Arabia a joint venture equally owned by Royal Road Minerals and MIDU Company Ltd. during the Future Minerals Forum in January 2024

 Focus

Jabal Muwayqirah & Hanash North zones.

Jabal Sahabiyah Project

Awarded: June 2024

Impact:
Supports Saudi Arabia's ambition to establish mining as a key driver of GDP.

 Area:
284 km²

 **Strategy**
The licenses cover an area of approximately 284 square kilometers, located in the Asir region of Saudi Arabia, within the Nabatah–Tathlith geological belt, known for its promising mineral fertility

 **Focus**
Known deposits of copper and gold.

Jabal Sahabiyah Project

Awarded: June 2024

Expansion:
This cross-border initiative strengthens MIDU's role as a regional mining player.

 Area:
284 km²

Strategy

Jabal Al-Sahabiyah is characterized by skarn-type formations rich in zinc and gold (± copper and silver), all of which are ready for exploratory drilling. The area also contains gold-bearing quartz veins distributed around a central intrusive core that is geologically associated with them

Focus

Known deposits of copper and gold.

MIDU Industrial is committed to building the Kingdom's industrial base by investing in high-impact ventures that reduce import reliance and create local value.

We partner with global leaders to deliver cutting-edge facilities and solutions that accelerate industrial transformation.

Steel Production Project

Strategic partnership with MCC, one of the world's largest steel manufacturers.

This project represents a cornerstone for MIDU's industrial strategy.

Project

Establishing a modern steel production facility in Saudi Arabia.

Goal

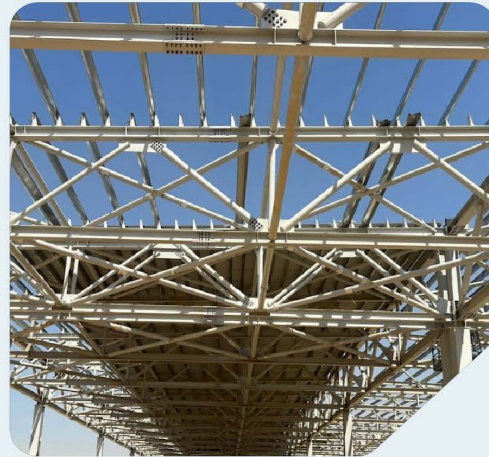

Secure the Kingdom's supply chain, support infrastructure growth, and create local jobs.

CEER Motors Factory

Duration: 9 months.

Project Segment:
All buildings and landscape
of CEER project.

Value

400M SAR

Project result

Delivered with precision under tight deadlines, showcasing MIDU's speed, efficiency, & execution capability on complex industrial works.

Scope

Substructure & superstructure works including steel structures and steel works, specialty works, RC foundations, slab-on-grade (SOG), infrastructure works (excavation, backfilling, & concrete), finishing works, & MEP.

MIDU Contracting delivers high-quality contracting solutions, supporting both MIDU's diversification strategy and MSB Holding's wider activities.

Founded in 2024, the company is already building a strong portfolio with some of the most recognized projects in the Kingdom.

ASP - Automotive Supplier Park

Duration: 8 months.

Project Segment:
Phase 1 Infrastructure
Works.

NOTE: IMAGES FOR THIS PROJECT ARE CLASSIFIED.

 Value

378M SAR

 Location

KAEC

 Project result

Planned to deliver Phase 1 infrastructure works enabling site readiness for industrial development.

 Scope

Phase one: Earthworks, piling, Dewatering, Concrete (including SOG)

Madinah Airport

Duration: 12 months.

Project Segment:
Terminal Construction
Works.

Value

90.5M SAR

Location

Al Madinah

Project result

Contributing to expansion of airport infrastructure to support increasing passenger demand.

Scope

Execution of steel and civil works for terminal buildings including fireproofing, deck installation, & full construction works.

New Murabba

Duration: 8 months.

Project Segment:
Steel & Civil Works
Package.

Value

40.6M SAR

Location

Riyadh

Project result

Supporting development of a major giga-project through integrated structural and civil works.

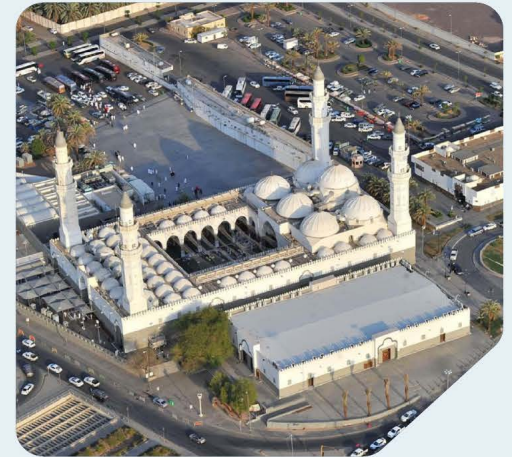

Scope

Construction of steel buildings, fireproofing, metal deck installation, civil works, gatehouse, & pedestrian bridge.

Quba Mosque

Duration: 4–10 months.

Project Segment:
External Works & Site
Facilities.

Value

27M SAR

Location

Al Madinah

Project result

Enhanced visitor experience, accessibility, and traffic management across key mosque areas.

Scope

Construction of ablution & sanitation facilities, smart parking areas, marble flooring, drop-off zones, & aesthetic traffic barriers.

Al Ghamamah Cultural Center

Outcome:
Preserving heritage while delivering modern functionality, reinforcing MIDU's cultural contribution.

Value
26M SAR

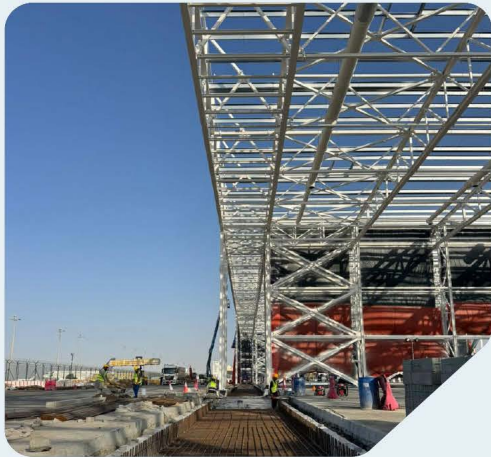

Scope
Full renovation and fit-out
of an important cultural site.

Location
Madinah

KAIA Private Hangar

Duration: 7 months.

Project Segment:
Hangar Construction
Works.

 Value

20M SAR

 Location

Jeddah

 Project result

Delivered a fully integrated aviation facility within accelerated timelines.

 Scope

Design and construction of steel hangar including fire protection systems and roof sandwich panels.

Qiblatain Mosque

Duration: 4 months.

Project Segment:
Staircase & Landscape
Works.

Value

5.5M SAR

Location

Al Madinah

Project result

Improved accessibility and integration of landscape elements within the mosque environment.

Scope

Construction of staircases and landscape planting works.

Saudi Arabia's booming real estate and tourism sectors represent major opportunities.

MIDU Development is committed to shaping urban living and tourism experiences with projects that combine modern design, sustainability, and cultural relevance.

Al Hada Resort

Vision:
Delivering world-class
hospitality in a prime
tourist destination.

Land

Concept

The Al Hada Resort Development aims to create a sustainable, culturally immersive resort in Taif, blending eco friendly design, active living, and innovative hospitality to celebrate Al Hada's natural and cultural heritage.

Location

Al Hada, Makkah Region.

Jeddah Central Development

Outcome:
A landmark addition
to Jeddah's revitalized
waterfront.

Status

Concept development in partnership discussions with Jeddah Central Development Company.

Concept

High-end residential and tourism units.

Location

Jeddah Waterfront.

شركة وسط
جدة للتطوير
Jeddah Central
Development Co.

MIDU Water is dedicated to addressing one of Saudi Arabia's most critical challenges: water sustainability.

We provide EPC solutions for water treatment and desalination, delivering both scale and innovation.

OUR EXPERTISE INCLUDES:

Seawater &
Brackish Water
RO Plants
(SWRO, BWRO)

Wastewater
Treatment &
Recycling

Water
Features &
Pools

Ozonizers,
Softening,
Demineralization
Systems

Filtration &
Remineralization

GOAL: To deliver reliable, sustainable water solutions for communities and industries.

CEER Motors Water Treatment Plant

Result:
A critical utility solution supporting the CEER Motors factory.

 Value
45m SAR

 Scope

Wastewater treatment, brackish water plant, stormwater filtration, odor control, MVR.

City Park – Green Riyadh

Impact:
A showcase project within Riyadh’s largest sustainability initiative.

 Value
53m SAR

 Features
Water circulation, filtration, decorative fountains, lighting and misting systems.

 Capacity
12,500 m³/day
RO Plant.

WHY CHOOSE MIDU?

Diverse expertise across five strategic sectors.

Strong financial backing from MSB Holding

Proven ability to deliver giga and mega projects.

Partnerships with world-leading companies

Long-term commitment to Vision 2030 and sustainability.

FUTURE PLANS

MIDU's future growth strategy includes:

01

Expanding mining operations across the region.

02

Developing advanced industrial facilities.

03

Launching iconic real estate and tourism projects.

04

Scaling water sustainability solutions.

Our ambition is to become a leading regional player, shaping the future economy of Saudi Arabia.
